SOUL

Two white towels hanging on a rack against the wood-paneled wall.

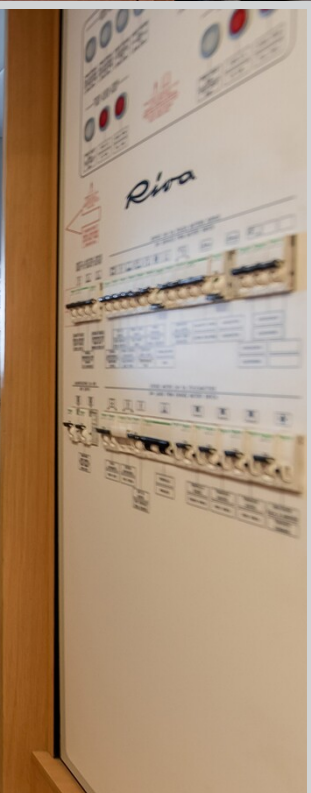

A rectangular mirror mounted on the wall above the sink, reflecting the towels and part of the room.

A window with a circular porthole and a large woven basket on the sill, providing a view of the outdoors.

A round black marble sink with a chrome faucet, set on a dark marble countertop with gold veining.

A small white bottle of hand soap with a green label, placed on the countertop next to the sink.

A white toilet with a closed lid, positioned in the foreground of the bathroom.

WILLIAMS 11 500i

## 5. ACCOMMODATION

Accommodation for up to 6 guests in 3 cabins and up to 2 crew

### GUEST CABINS

1 x Master cabin  
1 x VIP cabin  
1 x Twin cabin

### CREW CABINS

1 x Crew cabin

### INTERIOR

The elegant interior of Soul is very relaxing boasting a neutral minimal decor and panoramic windows. The design team used Riva's classic materials, including wood, lacquered surfaces, leather, and stainless steel, combined with mirror and marble.

Social areas include a salon with a beautiful cream-coloured sofa and a dining area forward.

Soul provides accommodation for up to 6 guests across 3 staterooms including a Master suite, a VIP cabin and a Twin cabin. The full-beam Master suite is located amidship on the lower deck and includes a lounge area, a walk-in wardrobe and a bathroom.

#### EXTERIOR

The exterior layout has been designed to ensure comfort for the guests and functionality for the crew. On the main deck aft, charter guests will find a sofa and a dining table. The foredeck is a fantastic relaxation area with a comfortable lounge and some sun pads. Guests will particularly enjoy spending time on the flybridge which is equipped with a seating and a sunbathing area.

## 12. COMMENTS

SOUL's sporty and elegant lines, accentuated by her dark hull color, instantly make her stand out. She perfectly embodies the sophistication of Italian design and Riva's craftsmanship. The 23m Riva 76 Perseo has become a popular vessel in the under 25m segment, thanks to its delicate design and luxurious features.

The exterior layout is designed for both guest comfort and crew efficiency. On the main deck aft, guests will find a sofa and a dining table. The foredeck offers a cozy lounge area and sun pads for relaxation. The flybridge provides additional seating and sunbathing space, ideal for enjoying the scenery.

SOUL's interior is elegantly understated with neutral decor and panoramic windows, featuring classic materials like wood, lacquer, leather, and stainless steel, along with mirrors and marble accents. Social areas include a salon with a cream coloured sofa as well as a dining area forward.

Accommodating up to 6 guests across 3 staterooms, including a Master suite, VIP cabin, and twin cabin. The full-beam Master suite, located amidships on the lower deck, includes a lounge area, walk-in wardrobe, and bathroom.

With a cruising speed of 28 knots and a top speed of 32 knots, SOUL offers impressive performance on the water.

### KEY FEATURES

- Elegant RIVA design
- Gyroscopic stabilizers
